# AGENDA - Planning Workshop 19 July 2018

---

## Re-invigorating Community-Led Internet Governance in Australia

The aims of the workshop are to:

- Present v1.0 of a plan to create a community-led internet governance initiative
- Critique the draft plan for a community-led governance forum
- Develop v2.0 of the plan
- Identify organisations interested in joining the community
- Refresh the steering committee with new organisations and new participants
